Azure DevOps Services

The slide displays the Azure DevOps Services overview page. It features a dark blue header with the title 'Azure DevOps Services' and a network icon. Below the header, six service cards are arranged in two rows. Each card includes an icon, the service name, a brief description, and a 'Learn more' link. The services are: Azure Boards (agile tools), Azure Pipelines (CI/CD), Azure Repos (private Git repos), Azure Test Plans (manual and exploratory testing), Azure Artifacts (package management), and Extensions Marketplace (community extensions). At the bottom, a URL is provided: <https://azure.microsoft.com/en-us/products/devops/#overview>. A footer bar contains course information and a blue circle with the number 3.

Azure Boards
Deliver value to your users faster using proven agile tools to plan, track, and discuss work across your teams.
[Learn more >](#)

Azure Pipelines
Build, test, and deploy with CI/CD that works with any language, platform, and cloud. Connect to GitHub or any other Git provider and deploy continuously.
[Learn more >](#)

Azure Repos
Get unlimited, cloud-hosted private Git repos and collaborate to build better code with pull requests and advanced file management.
[Learn more >](#)

Azure Test Plans
Test and ship with confidence using manual and exploratory testing tools.
[Learn more >](#)

Azure Artifacts
Create, host, and share packages with your team, and add artifacts to your CI/CD pipelines with a single click.
[Learn more >](#)

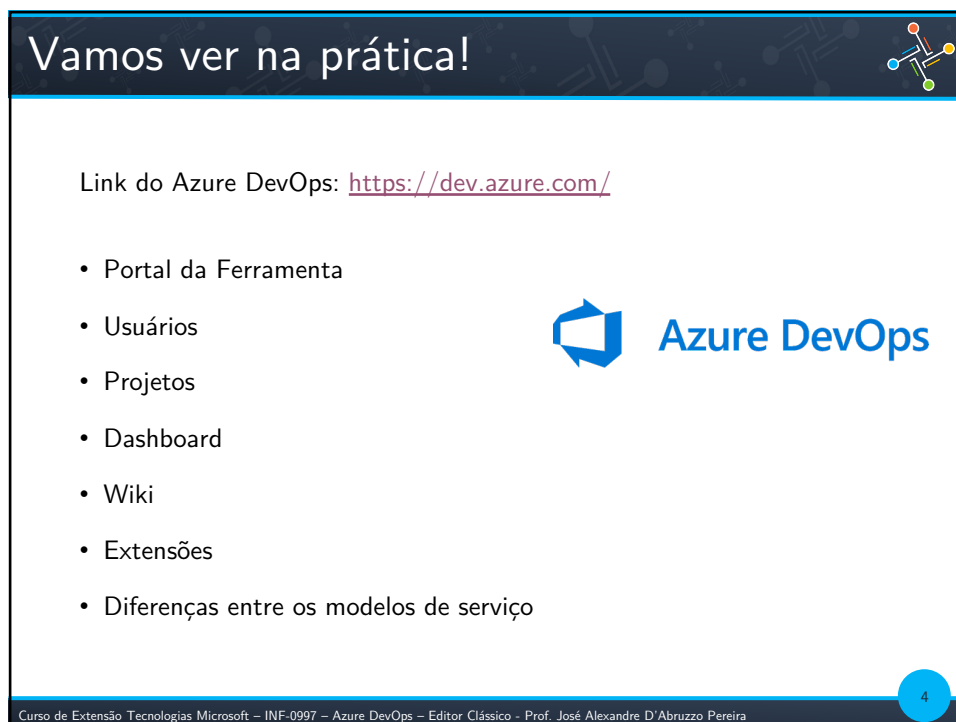

Extensions Marketplace
Access extensions from Slack to SonarCloud to 1,000 other apps and services—built by the community.

Vamos ver na prática!

The slide is titled 'Vamos ver na prática!' (Let's see in practice!). It features a dark blue header with the title and a network icon. Below the header, the text 'Link do Azure DevOps: <https://dev.azure.com/>' is displayed. To the right of this text is the Azure DevOps logo. Below the link, a bulleted list contains the following items: Portal da Ferramenta, Usuários, Projetos, Dashboard, Wiki, Extensões, and Diferenças entre os modelos de serviço. A footer bar contains course information and a blue circle with the number 4.

Link do Azure DevOps: <https://dev.azure.com/>

- Portal da Ferramenta
- Usuários
- Projetos
- Dashboard
- Wiki
- Extensões
- Diferenças entre os modelos de serviço

Visão Inicial do Projeto

The screenshot shows the Azure DevOps interface for a project named 'prep-treinamento'. The left sidebar contains navigation links: Overview, Summary, Dashboards, Wiki, Boards, Repos, Pipelines, Test Plans, and Artifacts. The main content area displays a welcome message: 'Welcome to the project! What service would you like to start with?'. Below this, there are buttons for 'Boards', 'Repos', 'Pipelines', 'Test Plans', and 'Artifacts'. A blue circle with the number '5' is in the bottom right corner.

5

Wiki

The screenshot shows the Azure DevOps Wiki page for 'My first wiki page'. The left sidebar is the same as in the previous slide. The main content area shows the title 'My first wiki page' with an 'Unfollow' button and an 'Edit' button. Below the title, it says 'The wiki uses markdown:' followed by a list: '1. first item of the list' and '2. second item of the list'. There is also a section for '0 visits in last 30 days' and a comment box with the placeholder 'Add a comment...'. A blue circle with the number '6' is in the bottom right corner.
